

PLAN 1.1

For Students with
Master's Degree

48
CREDITS

Doctoral Thesis

THESIS-ONLY PLAN

Focus on independent research
and the completion of a high-quality
doctoral thesis.

YEAR
1

(12 CREDITS)

SEMESTER 1

Enrollment

Register as a doctoral student.

English Requirement

Fulfill the program's English
proficiency requirement.

Qualifying Examination

Pass the qualifying examination
to proceed to thesis proposal.

SEMESTER 2

Doctoral Thesis (12 credits)

Conduct independent research
under advisor supervision.

Thesis Proposal

Propose the research topic
and methodology.

Seminar

Attend and present in the research
seminar every semester.

YEAR
2

(24 CREDITS)

SEMESTER 1

Doctoral Thesis (12 credits)

Continue research and develop
your thesis.

Seminar

Attend and present in the research
seminar every semester.

SEMESTER 2

Doctoral Thesis (12 credits)

Continue research and develop
your thesis.

Seminar

Attend and present in the research
seminar every semester.

YEAR
3

(36 CREDITS)

SEMESTER 1

Doctoral Thesis (12 credits)

Complete research and finalize
your thesis.

Seminar

Attend and present in the research
seminar every semester.

SEMESTER 2

Enrollment

Re-enroll for the final semester.

Thesis Defense

Defend your thesis and complete
all degree requirements.

SUMMARY

	TOTAL CREDITS	48 credits
	THESIS	48 credits
	COURSEWORK	—
	STUDY DURATION	3 Years (6 Semesters)
	IDEAL COMPLETION	Within 3 Years

PLAN 2.1

For Students with
Master's Degree

48
CREDITS
Plan 2.1 Structure

-  Coursework
12 credits
(25%)
-  Thesis
36 credits
(75%)

FOCUS

Build advanced research skills through coursework and conduct independent research to produce original contributions.

YEAR

1

(18 CREDITS)

SEMESTER 1

-  **ADVANCED RESEARCH METHOD**
801801 (3 credits)
-  **ADVANCED THEORY AND PHILOSOPHY IN ARCHITECTURE**
801802 (3 credits)
-  **ENGLISH REQUIREMENT**
Fulfill the program's English proficiency requirement.
-  **QUALIFYING EXAMINATION**
Pass the qualifying examination to proceed to thesis proposal.

SEMESTER 2

-  **RESEARCH PARADIGMS AND METHODS IN ARCHITECTURE**
801803 (3 credits)
-  **FIELD WORK RESEARCH PRACTICE**
801804 (3 credits)
-  **DOCTORAL THESIS**
801899 (3 credits)
Begin independent research and develop your thesis.

REQUIRED COURSES (12 CREDITS)

-  **801801**
Advanced Research Method
-  **801802**
Advanced Theory and Philosophy in Architecture
-  **801803**
Research Paradigms and Methods in Architecture
-  **801804**
Field Work Research Practice

YEAR

2

(24 CREDITS)

SEMESTER 1

-  **DOCTORAL THESIS**
801899 (12 credits)
Continue independent research and develop your thesis.
-  **SEMINAR**
Attend and present in the research seminar every semester.

SEMESTER 2

-  **DOCTORAL THESIS**
801899 (12 credits)
Continue independent research and develop your thesis.
-  **SEMINAR**
Attend and present in the research seminar every semester.

SUMMARY

-  **TOTAL CREDITS** 48 credits
-  **COURSEWORK** 12 credits (25%)
-  **THESIS** 36 credits (75%)
-  **STUDY DURATION** 3 Years
(6 Semesters)
-  **IDEAL COMPLETION** Within 3 Years

YEAR

3

(6 CREDITS)

SEMESTER 1

-  **DOCTORAL THESIS**
801899 (9 credits)
Finalize your research and prepare for the defense.
-  **SEMINAR**
Attend and present in the research seminar every semester.

SEMESTER 2

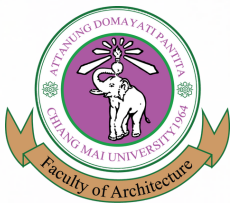

-  **THESIS DEFENSE**
Defend your thesis and complete all degree requirements.
-  **GRADUATION**
Upon approval of the thesis and fulfillment of all requirements.

KEY MILESTONES

★ Seminar attendance and presentation are required every semester throughout your study.

PLAN 2.2

For Students with
Bachelor's Degree

84
CREDITS

Plan 2.2 Structure

- Coursework**
36 credits
(43%)
- Thesis**
48 credits
(57%)

FOCUS

Comprehensive coursework and independent research to build advanced knowledge and produce original contributions.

YEAR 1 (18 CREDITS)

SEMESTER 1

- ADVANCED RESEARCH METHOD**
801801 (3 credits)
- ADVANCED THEORY AND PHILOSOPHY IN ARCHITECTURE**
801802 (3 credits)
- ELECTIVES (6 CREDITS)**
Choose 6 credits from elective courses approved by the Program Committee.

SEMESTER 2

- RESEARCH PARADIGMS AND METHODS IN ARCHITECTURE**
801803 (3 credits)
- FIELD WORK RESEARCH PRACTICE**
801804 (3 credits)
- ELECTIVES (6 CREDITS)**
Choose 6 credits from elective courses approved by the Program Committee.

REQUIRED COURSES (12 CREDITS)

- 801801**
Advanced Research Method
- 801802**
Advanced Theory and Philosophy in Architecture
- 801803**
Research Paradigms and Methods in Architecture
- 801804**
Field Work Research Practice

YEAR 2 (12 CREDITS)

SEMESTER 1

- ELECTIVES (6 CREDITS)**
Choose 6 credits from elective courses approved by the Program Committee.
- DOCTORAL THESIS (6 CREDITS)**
Begin independent research and develop your thesis.

SEMESTER 2

- ELECTIVES (6 CREDITS)**
Choose 6 credits from elective courses approved by the Program Committee.
- DOCTORAL THESIS (6 CREDITS)**
Continue independent research and develop your thesis.

ELECTIVES (24 CREDITS)

- 24 credits**
Choose courses as recommended by the Program Committee.

YEAR 3 (12 CREDITS)

- DOCTORAL THESIS (6 CREDITS)**
Continue independent research and develop your thesis.
- SEMINAR**
Attend and present in the research seminar every semester.

- DOCTORAL THESIS (6 CREDITS)**
Continue independent research and develop your thesis.
- SEMINAR**
Attend and present in the research seminar every semester.

YEAR 4 (15 CREDITS)

- DOCTORAL THESIS (6 CREDITS)**
Continue independent research and develop your thesis.
- SEMINAR**
Attend and present in the research seminar every semester.

- DOCTORAL THESIS (9 CREDITS)**
Intensive research and preparation for the defense.
- SEMINAR**
Attend and present in the research seminar every semester.

SUMMARY

- TOTAL CREDITS** 84 credits
- COURSEWORK** 36 credits (43%)
- THESIS** 48 credits (57%)
- STUDY DURATION** 5 Years (10 Semesters)
- IDEAL COMPLETION** Within 5 Years

YEAR 5 (15 CREDITS)

- DOCTORAL THESIS (9 CREDITS)**
Finalize your research and prepare for the defense.
- SEMINAR**
Attend and present in the research seminar every semester.

- THESIS DEFENSE**
Defend your thesis and complete all degree requirements.
- GRADUATION**
Upon approval of the thesis and fulfillment of all requirements.

KEY MILESTONES

- ★ Seminar attendance and presentation are required every semester throughout your study.
